Arbitration Experience

Counsel Work

- Representing **a leading company in the automotive and sales industry** in arbitration proceedings following a company acquisition in connection with failure to disclose purchase-related facts prior to signing.

- Representing **a client** in complex arbitration proceedings with multiple parties and contracts in relation to a construction dispute with the contractor for a circular steam project. UNCITRAL arbitration, based in The Hague, Dutch law and parallel UNCITRAL arbitration against the contractor's parent company.
- Representing **an international company** in a large industrial group in the chemicals, pharmaceuticals and energy sector in a DIS arbitration based in Mannheim in connection with a corporate transaction for the sale of certain assets.
- Representing **a European gas buyer** in an ICC arbitration based in London against a European gas supplier in connection with claims for price reviews in relation to a long-term gas supply contract. Representation includes early advice on the interpretation of the price review clause and close cooperation with selected experts in order to determine the best way for the client in the ongoing negotiation process.
- Advice and representation on German law in a legal dispute between a French oil and gas company as the plaintiff and our client, **a large German energy company**, in an ICC arbitration based in Paris and a dispute value of 35 million euros.
- Representing **a world-leading German construction company** in a DIS arbitration based in Frankfurt in connection with a post-M&A dispute with the seller regarding the sale of certain assets.

Arbitrator Work

- Chair person in various DIS proceedings
- Co-arbitrator in ICC proceedings, DIS proceedings, SCAI proceedings and ad-hoc proceedings (UNCITRAL and other rules)
- Sole arbitrator in Swiss Rules proceedings

Specialisation

(Indicate five areas of specialisation)

International commercial arbitration and advice on all stages of dispute resolution:

- Energy, with a particular focus on gas (upstream, downstream, price review)

- plant engineering
- renewable energies sectors
- long-term contracts like distribution, licensing, etc.
- post M&A

Current Position

Partner - Germany – Frankfurt

Head of the international arbitration practice in Germany
